For most events Yes!

Some special events may prohibit live streaming. Please make sure to check on event details and posting ...

For those events that can record we ask that you email us your favorite track photos or videos and we may share it on our social media sites. marla@go2race.com

- **Does the raceway have ATM machines?**

No, but our front gate and food court stations are equipped to accept all major credit cards.

- **Do you charge for parking?**

No. General Spectator Parking is FREE.

There may be some “special “events that the promoter charges for parking. So please check event details

- **Is there handicapped and disabled parking?**

Yes, handicap parking is in the main spectator parking lot. A person must have a handicap tag or hang down tag to park there. There are signs directing spectators where certain parking areas are located. Both pit and spectator sides are wheelchair accessible.

Do you have restrooms or porta johns?

Both! Our full-service restrooms are located on the Pit side and spectator side of the track and are staffed as long as we are open. Porta Johns are located at certain points throughout the property for your more “immediate” needs.

- **What radio station do you transmit?**

Our facility public address system is broadcast on 89.1 FM.

- **Can I bring glass containers?**

No. Glass containers of any kind are permitted. Broken glass does a terrible number on rubber tires!

- **Can I bring the family pet?**

Spectators are allowed to bring the family dog and/or cat when visiting the facility. ALL PETS MUST BE restrained to ensure the safety and enjoyment of all guests and campers, it is important that you read and abide by the following Pet Policy:

1. NO PETS IN GRANDSTAND SEATING AREA

2. Aggressive dogs of any breed are strictly prohibited from entering the property. If your dog shows behavior that is protective and unfriendly to strangers, please leave it home. If you decide to bring your dog and it exhibits this type of behavior NPR personnel will ask you to leave.

3. All dogs must always be under the control and visual observation of their owner. A leash rule is in effect whenever the animal is outside the owner's camping trailer, vehicle, motorhome, or tent – there are no exceptions. No dog should be left tied up and unattended outside the owner's camping equipment.

4. Owners must clean up after their pets and properly dispose of the waste; this rule always applies no matter where the pets relieve themselves in campgrounds or parking areas.

4. Allowing your pet to bark uncontrollably day or night will not be permitted and in such event, you may be asked to leave.

Service dogs for the visually impaired are always welcome at all NPR events. However, these animals must follow leash restraint policies and may not exhibit aggressive behavior.
